Foreword

We, the members of the Garnet staff, have made a sincere effort to make this yearbook superior to the ones published in past years. We have endeavored to make it an accurate account of the activities taking place at Richmond High School during the last year. We hope that we have accomplished our purpose, and that you will thoroughly enjoy our book from cover to cover.

Junior Class History

On September 6, 1952 the class of '56 entered R. H. S. as frightened as little children on Halloween Night. For about a week you wouldn't have known that there was a freshman around, but when we got under way there was no stopping us! Four weeks went by, and then came our initiation. Girls in their fantastic costumes fell down the stairs, while the boys just stood and laughed. We held one record hop during the year, which was in the third quarter. We conducted a class meeting on the average of one every two months.

On September 7, 1953 we came back to R. H. S. as sophomores. This was the year we were to have all the fun-it was our turn to initiate the freshmen. Our sophomore year was a successful one, our greatest thrill being when we received our class rings.

On September 6, 1954 we returned once more, refreshed and happy, ready to make the most of our junior year. Our class was so large that we had to remain in the room we occupied last year. We have held several sock dances this year.

Third row: John Ingraham, Harold Brown, Karl Fickett, Gordon Stinson, Alton Levitt, Frederick Raynes, Clayton Waltz, Linwood Horne, Dale Small, David Leibowitz.

Sophomore Class History

We entered Richmond High School September 5, 1953 with 47 of the most intelligent freshmen that ever have, or ever will, enter. During the school year we dwindled down to 42. On September 25, we were initiated. We will have to admit that the sophomores did a very good job of welcoming the freshmen to R. H. S. We had several socials during the year, all of which were successful.

We were now well into our sophomore year. We have 32 students, and are well represented in various school activities. Many sophomores are in the band and glee-club, 7 boys play on the football team, 4 play basketball, and 8 of the girls are out for basketball. To date our only activity has been Freshman Reception, which was held on September 30, 1954.

On September 7 the class of 1958 entered the doors of Richmond High School for the first time. They were a bit undecided at first as to just exactly what they should do and how they should do it, but soon got over this feeling. The Sophomores made them feel at home by giving them a welcoming reception they will never forget. This was held in the high school gym on October 7, 1954. A dance followed stunts. Music was supplied by Ronald Cloutier and his orchestra. The Freshmen are well represented in all sports with four girls playing basketball, five boys playing basketball and football, two boys and four girls participating in the band.

THE NEWCOMERS TO OUR COMMUNITY

During the last two or three years we have had many newcomers to our community. These newcomers are White Russians--Displaced Persons. These Russians do not speak very good English; some of them don't speak any. But some of them speak as many as four or five foreign languages. And now you say, that is all very well, but here we speak English. Well, these people are learning to speak English too, but one must remember that the Russian alphabet is completely different from ours.

These people have come to this country seeking refuge; for to them America is the "Promised Land." We should not turn our backs to them just because their grandfathers did not come over on the Mayflower, or because they were not born in this country. We should welcome them with open arms just as the Statue of Liberty welcomes them as their ship sails into New York Harbor; for on that great lady are these words: "Give me your tired, your poor, your huddled masses yearning to break free, the wretched refuse of your teeming shore, send these the homeless, tempest-tossed to me. I lift my lamp beside the golden door."

These White Russians have come to our community, they have bought farms; many of which we had given up, thinking them worthless. They have cultivated them and made them produce. One need only to look at their headquarters to see a great improvement.

A great many people do not like the Russians. They turn their backs and laugh at them because "they look funny." Many people think they are communists. These Russians are not communists, in fact, they hate communism more than you or I do. For to you and me communism is not much more than a word; we do not really realize what it is. Many of them have lived under it. They have worked in slave-labor camps, their children were born in concentration camps. Oh yes, these people know what communism is.

These White Russians make you and I better citizens. They make us realize and appreciate the great country in which we live.

A short time ago a friend and I were arguing about these Russians and this friend said: "Why don't they leave America to the Americans?" I immediately asked this person, and I ask you, "What is an American?"

LATE FOR SCHOOL

Late for school, that is my motto.
I sometimes think I should buy an auto.
The teachers say it would be nice,
If I were on time just once or twice.

WHAT THE 4-H CLUB MEANS TO ME

The 4-H Club is one of the best organizations in the world for boys and girls between ten and twenty-one years of age. It teaches them self-preservation and how to do things for future years. 4-H stands for head, heart, hands and health, and the club motto is, "To make the best better." That means a lot if you just stop and think. It means that there is nothing you can't do better than the best. I have been in the regular 4-H club for five years and this will be my fourth year in the Sagadahoc Cattle Club, and believe me, there is not another organization in the country that I would rather belong to. The boys can show their cattle and vegetables at the fairs and sometimes girls show cattle. Some of the best farmers in the country are women.

In the 4-H club girls take cooking, home improvement and sewing and when they show their exhibits at the fair, they make the older men and women's things look like nothing.

There is an organization in the 4-H club called the "IFFY" program. "IFFY" stands for the International Farm Youth Exchange, where a member of the 4-H from Richmond could exchange places with a boy or girl in France or some other country for a few months, until they learned the farming methods of that country. 4-H'ers are the cream of the crop and "Tomorrow's Leaders of America."

THE SEASONS

Autumn is when squirrels gather their nuts, build their homes and little huts.
Winter is when boys and girls all like to play, and Santa comes in his little sleigh.
Spring is when the old folks come out and breath the air, and the children play without care.
Summer is when all the people are gay, and the farmers are out cutting their hay.

SENIORS OF R. H. S.

We are the Seniors of R. H. S., and of course we think we are the best.
The halls echo with our footsteps clear, and the Freshmen cringe when we appear.
Next year the Juniors will step into our place, but of course they won't do it with quite as much grace.
As we said before, and it's said by the rest; "We, the Seniors, are still the best."

Dorothy Wheeler '55

BOYS

I think that I shall never see,
A boy who quite appeals to me.
A boy who doesn't always wear,
A streak of grease upon his hair.
A boy without a silly grin,
And one who tucks his shirt-tail in.
A boy whom cars mean nothing to,
But boys like this are very few.
Upon whose mind has always been,
Sports and cars and sports again.
Boys are liked by girls like me,
But a perfect one we'll never see!

HURRICANE HAZEL

The wind howled and the rain came,
And many a tree didn't stand the strain.
The flood waters rose until at last,
The people were forced to get away fast.
But as quick as it came, it went away,
And the people haven't forgotten to this day.

"THE SHORT LIFE OF A PUP"

On a dark stormy night in the spring of '53, a litter of pups was born in a dreary cold barn. The mother and her four pups were not discovered for quite a few days. When they were found, all you could see were four squirmy black and white balls of fur, with a small resemblance of pointer and spaniel.

As the pups grew older, the family who owned them decided it was about time to get rid of them. I got one, a wiggling white fellow with a black face and saddle.

I never saw a pup that was so easy to get over leaving his mother and to train. The first thing he learned was to ask to go out when he wanted to. At times he seemed to learn pretty well and at others, he seemed to forget everything he knew. One thing he never forgot though was to sit up and speak for his meals.

He loved to ride in cars and wasn't the least bit afraid of them. I suppose he should have been, because that's how he was killed, six short months after he was born.

"NO POEM"

I sat right here for many hours, and used my head and all it's powers.
A little poem I could not write, although I sat here all the night.
Last night went out, this morning came, and I hung my empty head in shame.
This day is gone and I have fear that I will not write a poem this year.

Phil Dow '55

"A FRESHMAN'S LAMENT"

Examinations may come and go forever, but when I do these darn old tests, I never pass them, never. This morning first of all, we had English with Mr. Briggs. I got so muddled up in that, I'm sure I must have aged. Next thing was math, and so 'twas said is the easiest of all. If I had my way, it's a cinch I'd make for the study hall. After recess is civics, oh say, what will it be? Some say it is easy, but like math, it's all the same to me. Last but not least is French, at that a "dumb-dora" am I. It wouldn't be really hard at all, if I knew when, how and why. And if you think you need a rest, good grief, look at me!!

1954 Football Season

Hallowell 13 - Richmond 6

The first half was highlighted by good defensive play by both teams with the fine punting by Ronald Leibowitz and Kent Boothbay, keeping each team in their own territory.

The second half opened slow until Jim Sullivan broke off right tackle for 86 years to the Hallowell six and two plays later, rammed over from the one foot line. Hallowell came right back with Boothbay and Hill scoring T.D. with Boothbay adding the point after.

Defensive stars were Ronald Leibowitz, Neil Lemieux and Eddie Coughlin.

Richmond 12 - Gardiner J.V.'s 6

Richmond took the opening kickoff and in nine plays, scored with Ronald Leibowitz, George Schools and Jim Sullivan carrying the ball and a pass from Gary Williams to Ron Leibowitz for the score. After the kickoff, Richmond took over on downs and on the third down, a pass from Williams to Leibowitz going twenty yards with Leibowitz running the last 30 for the score. Linton scored in the third period and late in the fourth period, drove deep in Richmond territory, only to have Richmond hold on the 12. George Schools almost broke as the gun sounded for the end of the game.

Richmond 32 - Williams 6

Ronnie Leibowitz, having one of the best days of his high school playing days, scored twice and threw three touchdown passes to slick end, Ed Coughlin to lead Richmond over Williams High of Oakland.

Leibowitz intercepted a pass on his thirty yard line and went all the way for the T.D. in the first periods. Jim Sullivan added the point. In the second period Leibowitz threw two touchdown passes to Coughlin, covering 16 and 42 yards. Leibowitz went 49 yards, and Schools added the point after for the third T.D. In the last period Leibowitz tossed a five yard pass to Coughlin to make it 32 to 0, but Williams scored in the final stages of the game.

Richmond 34 - Boothbay 6

Richmond's Neil Lemieux recovered a Boothbay fumble on the second play, and George Schools went off tackle 31 years for the T.D. Jim Sullivan added the point. Two minutes later Richmond was on the go again, Leibowitz,

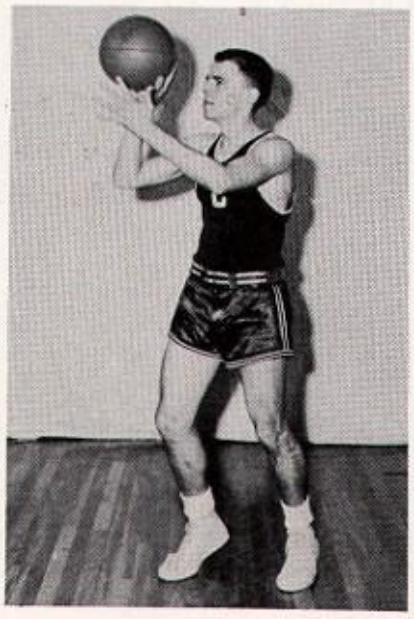
GARY WILLIAMS



RON LEIBOWITZ

Coach Briggs started out the year with three veterans back from the 53-54 team. They were Ron Leibowitz, Gary Williams and Jim Sullivan. Although we didn't win the Valley crown again this year, we had a record of 15 wins and 6 losses.

We had an average of 57 points a game and our biggest output was against Williams, 82 points. The highest individual score was 26 points made by Ron Leibowitz against Winthrop. We went on a Northern trip over the Christmas vacation, which took in Blue Hill and Hermon. Everyone enjoyed themselves and we won both games.

We were seeded third in section three in Western Maine and beat Wiscasset 64-54. We met Lisbon Falls in the second game and were beaten 65-54.

There are seven seniors who played their last game for R. H. S. They are Ron Leibowitz, Gary Williams, Jim Sullivan, Roland Foster, Harry Hurley, Roger Babb, and Fulton Curtis. There are up and coming stars in Eddie Coughlin, Phil Withee, Harry Simmons and Maurice Sullivan. With the makings of a fine team next year, we expect another good season at R. H. S.

Our first practice was called by Coach Perry around the first of November. After the first practice we were held up while the gym floor was being repaired. We then settled down to the hard work of building up our team. Of the 18 girls that showed up for the first practice, about five dropped out.

Ann James was our manager, and might just as well be called part of the team. We thank you, Ann, and hope that you'll be right back next year.

The whole team would like to thank Coach Perry for putting his time in and for helping us to gain our victories.

I am the only senior on the team, and want to wish the girls and Coach Perry the best of luck. Nancy Holman '55

Football (cont. from 49)

Sullivan and Schools moved the ball 41 yards to the 15 where Williams passed to Leibowitz for the score. Schools rushed the point for a score of 14 to 0. Sullivan ran and a pass from Leibowitz to Coughlin moved the ball to the three, where Leibowitz plunged over. In the final period, Simmons intercepted a pass on the fifteen and Sullivan went over from the nine. Schools plunged the point. Leibowitz scored the last Richmond TD from thirteen yards out.

Lisbon 25 -- Richmond 7

Richmond's winning streak was snapped by a strong Lisbon team. The game was close until long runs by Cairns and St. Amant, in the second half, decided the victory.

Winthrop 45 -- Richmond 12

Winthrop continued on its win streak at the expense of Richmond. Tomah, Mayo, Philippon, Richardson scored in that order. Despite losing, Richmond played gallantly and drew much praise from the fans. Ronnie Leibowitz's display of running and passing from the spread formation was outstanding. He completed 9 out of 19 passes, and gained most of Richmond's 73 yards on the ground, and threw two touchdown passes to Ed Coughlin.

J.V.'s (cont. from 51)

Coach O'Brian started out the year with the remains of the squad that was cut from the varsity. The Freshmen made up most of the team, with a few Sophomores and Juniors. Mr. O'Brian brought them through a fine season with 6 wins and 5 losses. They played schools much larger than themselves; fought very hard and gave a good account of themselves and their coach.

CAMILLE CLOUTIER '55

TO THE CLASS OF '55

While your underclassmates bid you a tearful farewell from the halls of learning, we, of the business world, heartily welcome you as prospective customers and employees.

Pictured above is one of your classmates, who has already proved her ability in this office.

A *Taylor-made* YEARBOOK

TAYLOR YEARBOOK COMPANY-DALLAS

To Becky.

I will never forget all the swell times you have rendered me during my three years at Richmond High. Thanks a lot for letting me come down to your house and stay over night, after spending fine nights with you. made Bunny sit up mad during Bookkeeping 2 so I never forget all the laughing times we were able to be studying together. Best of luck to a swell friend

Janice.
